

South Carolina State Report Card

State and federal laws require public schools to release report cards to the public each year. This year, the report card has been updated to reflect changes in reporting directed by the SC Education Oversight Committee. Schools will not be rated for state accountability purposes until Fall 2017 when the state will transition to a single accountability system. The following reports student performance in school year 2014-15.

WORLD CLASS SKILLS & LIFE AND CAREER CHARACTERISTICS

Our school is helping all students develop the world class skills and life and career characteristics of the Profile of the Graduate by ...

H.E. McCracken Middle School is helping all students develop the world class skills and life and career characteristics of the Profile of the Graduate through a variety of curriculum and activities that develop critical thinking skills through hands-on project-based learning in our STEM and Arts-Infused programs. Our motto, Together We Will, epitomizes the school's learning environment through the support of qualified engaging teachers, strong administrative leadership, and the involvement of parents and community to ensure student success. This year our school added several academic programs. Our students studied Early Childhood Education, where our students taught elementary school children. We added Current Events electives and Carnegie Units in school technology for eighth-graders. Our Service Learning class allowed student leaders to guide our anti-bullying campaign and community service projects. Student academic achievements surpassed those of last year. Forty-five students were designated Junior Scholars in the PSAT. Fourteen students "tested out" of ESOL. Two students earned Best in Show at the Sea Island Regional Science Fair; another took third place. Ninety-three percent of students scored proficient or advanced in Intro to Engineering Design EOC. On End of Course Tests, forty-six McCracken students obtained perfect scores in the Algebra I, sixty-two in Biology and forty-six in English I. Forty-six students passed the A.P. Human Geography Exam, a fifty-four percent increase since 2013. On the 2015 8th grade ACT Aspire ELA exam, we led the district in the percent of students meeting or exceeding the college ready benchmark. In Reading, we were second. In Writing, we led the district. In Mathematics, we were third. In 2015 PASS testing, we were second in the district in both Science and Social Studies, with Social Studies making a ten point gain. We excelled in co-curricular areas. Our Science Olympiad Club earned 2nd Place in the State and won the Sportsmanship Award. Four 8th graders made the All-County Band. The Symphonic Band earned the highest rating of "Straight Superior" in the Beaufort County Festival and a Superior rating in the SC State Concert Performance Assessment. Wrestling set a record with nine students scoring in the District's Top Three, with three competing at State. Both Girls' and Boys' Basketball Teams were undefeated and District Champions. Both Girl's and Boy's Track Teams won the District Championship. In 2015-2016, we will implement our School Choice areas of Project Lead the Way and Arts-Infused. New curriculum in Project Lead the Way includes the study of Space and Flight. Our arts program expands to include Animation. We have hired a full-time band director. We are looking forward to another great year at H.E. McCracken, where "Together We Will."
